

## In Celebration

By Anna Von Reitz

Last week it was my great pleasure to complete eleven years of hard work.

This was often hard slogging --- but we got it done, and now nobody can complain or say that the lawful owners of all the "unclaimed" American assets are not present and accounted for, properly named, properly organized, and both recorded and registered as the Original Issuers and Owners, complete with their Public and Private Provenance.

Happy birthday, America. Blessed be. You still have Sons and Daughters. You still have Heirs to Freedom.

Please post and share the attached paperwork in evidence. This is the final assignment of trust collateral back to The United States. The United States assignment of International Jurisdiction to The United States of America was made by prior land jurisdiction recording. The extraction of our land assets from the MASTER FORM LINE OF CREDIT DEED OF TRUST documents prepared by the United States Attorney General's Office in 2007 is concluded.

Faithfully,

Anna Maria
