SPECIAL WARNING AND NOTICE FOR IMMEDIATE RELEASE

June 12, 2014

**The United States of America and reign of the heavens
ARE NOT SAFE HAVENS FOR CRIMINAL BEHAVIOR!**

The Government of The United States of America will always welcome honorable and responsible men and women to rebuild what was abandoned so many years ago. Bringing criminal activity into the Nation is neither honorable nor responsible and will not be tolerated by its officer holders, assembly members and fellow American Nationals. The current American Nationals take an oath and affirmation to be a part of the original Confederacy of 1781 brought forward to the present time. The mission is responsible and honorable and so far remains without criminal dysfunction. The oath and affirmation is taken very seriously. It is a slap in the face for people to continually attempt to bring or try to tempt American Nationals into criminal activity.

If someone is seeking shelter or asylum for criminal activities, the General Post Office, The United States of America and the reign of the heavens IS NOT A PLACE FOR CRIMINALS! In fact, if such activity is confirmed, the Government of The United States of America will have no choice but to render the perpetrator unto Caesar! The Government of The United States of America is not an ally and it will not defend or shelter criminals from other Governments.

Liberty and dishonor cannot and will not co-exist.

Richard Alan Hartz – Secretary of State

The United States of America

Richard Alan Hartz
