BY EXECUTIVE ORDER of the office of the Governor for the Government of The United States of America,
 IT IS ORDERED that the request for admission signed by Governor Edmond Mark Hodges on July 7th, 2014 to membership in the United Nations is hereby suspended, and
 IT IS ORDERED, that the Declaration issued on July 7th, 2014 to accept the obligations of the United Nations charter signed by Governor Edmond Mark Hodges is hereby suspended, and

The following causes are to be addressed to lift the suspensions:

- 1: The evidence that Eugenics is being implemented and or enforced by the United Nations, and
- 2: The willful discrimination by the United Nations against the Confederation Party by favoring the Democratic and Republican Parties over the Confederation Party for reasons that are arbitrary meaning no basis in fact, and
- 3: The willful political discrimination by the United Nations against the Confederation Party because it does not believe in Eugenics and the systematic destruction of one bloodline over another, and
- 4: The arbitrary accusation by Henry Kissinger that those groups that object to the acceptance of the obligations of the charter of the United Nations are terrorists; and when said group(s) sends a declaration and accepts the obligations of the charter of the United Nations, the acceptance and declaration is ignored. Further, the same people that accepted the obligations of the charter of the United Nations are still treated as domestic terrorists in certain cases, and

The United Nations advertises that it is the champion of human rights and non-discrimination, yet, has been discriminatory against the Confederation Party and its Government in favor of the Republican and Democratic Parties for the past two years, and

The United Nations received the aforementioned Declaration and letter of acceptance twice in the mail. Yet, since the members of the Confederation Party are not affiliated with the Bilderberg Group and other groups like it, the United Nations discriminates, and

The United Nations discriminates against any political group that does not share its political views on population control, eugenics, Planned Parenthood, or anything that is remotely contrary to its goals of a one world government, and

The Confederation Party believes in independent sovereign nations and states, that belief is contrary to the political beliefs of the United Nations and therefore it discriminates against those that do not believe nor will contribute towards its political goals and aspirations of a one world government, and

The Confederation Party does not wish to suffer the dis-honor of the United Nations in violating its rules that govern membership. Therefore this suspension stands as legal international precedence that the United Nations is also guilty of discrimination against itself and must learn to refrain from discrimination as it attempts to fight discrimination or act politically in the name of non-discrimination, and

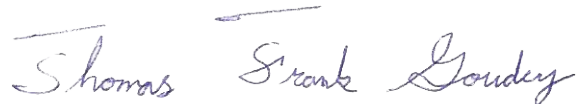

By the power vested in me by the office of the Governor for the Government of The United States of America, the Articles of Confederation as amended on August 5th, 2015 and the Declaration of Sovereignty, I hereby sign this Executive Order, without any reservations and Notice the International Community of its contents through Publication.

It is ORDERED on this 8th day of the 12th month, 2015.
