WHEREAS, the tort claimant has claimed within the evidence submitted to this tribunal and published for over 90 days in the newspaper that the Respondents have and continue to commit violations against the Universal Declaration of Human Rights.

(<http://reignoftheheavens.com/wp-content/uploads/2020/01/20191116-HRTI-NOTICE-OF-HEARING-W-SUPPORTING-DOCS.pdf>)

WHEREAS, the tort claimant has claimed multiple violations under the Universal Declaration of Human Rights on all Thirty (30) Articles, and

They are endowed with reason and conscience and should act towards one another in a spirit of brotherhood. "

Violations of Article 1 of the Universal Declaration of Human Rights:

Multiple violations of Article 1 of the Universal Declaration of Human Rights places the claimant in harm's way and is in no way promoting freedom of thought and deeds which would be considered in the spirit of brotherhood, and

this Declaration, without distinction of any kind, such as race, color, sex, language, religion, political or other opinion, national or social origin, property, birth or other status. Furthermore, no distinction shall be made on the basis of the political, jurisdictional or international status of the country or territory to which a person belongs, whether it be independent, trust, non-self-governing or under any other limitation of sovereignty.”

Violations of Article 2 of the Universal Declaration of Human Rights:

Respondents violated Article 2 of the Universal Declaration of Human Rights placing the claimant in the condition marked for genocide. Respondents did knowingly, willfully and intentionally fund and implement an ongoing campaign to train federal, state, and local law enforcement agencies to profile and treat with fear and extreme prejudice any thoughts, ideas, or speech that the Claimants may use by exercising their right to self-determination through act and deed to legally separate themselves from the jurisdiction, and survey of the United States (U.S.). Respondents are creating a scenario where law enforcement personnel profile claimants as a direct threat and danger to themselves and even their families and possibly their entire way of life. respondents have placed “Reign of Heaven Society” (<https://www.splcenter.org/fighting-hate/extremist-files/ideology/antigovernment>) as an anti-government hate group. When typed into the search engine “Reign of Heaven Society” there is no such group. There is only one blog post full of false statements written by a convicted Human Rights violator. There is no group called “Reign of Heaven Society” and yet it is listed on the respondent’s web site as an anti-government hate group to be feared and treated with extreme prejudice up to and including genocide. The following links are evidence that the respondents have no regard for the truth and only seeks to harm the claimant.

(<https://mainerepublicemailalert.com/2016/12/07/what-i-know-about-the-reign-of-heaven-society-and-the-united-states-of-america/>).

There is however a private membership association with published articles of association called, The “Fraternal Order of reign of the heavens society”

This is not an anti-government, anti-law enforcement PMA.

(<http://americanherald.org/?p=921>)

Any and all attempts at defamation in the on-line blog posts are not withstanding and only seek to confuse and convert law enforcement agents into mercenary assassins. By listing a fake group on their anti-government hate group web page the Respondents are thereby inciting religious and political persecution, and in fact have perpetrated religious and political profiling with targeting for assassination of an entire Government. The respondents have been so successful at convincing law enforcement personnel that there is no other jurisdiction or Survey, and that the only statuses are Authority and Subject, master and slave. Any mention that the Claimant is not subject to federal, state, or local codes triggers law enforcement into

extreme fear taught to them by the doctrine of the Respondents. So well perpetrated is this religious and political persecution that it has placed the claimant in danger every day since, and

WHEREAS, Respondents Violated the claimant rights under Article 3 of the Universal Declaration of Human Rights;

“Everyone has the right to life, liberty and security of person.”

Violations of Article 3 of the Universal Declaration of Human Rights:

Respondents conspired to violate Article 3 of the Universal Declaration of Human Rights placing the claimant in danger because respondents have deceived law enforcement into becoming a militarized force of assassins which is a direct affront to the right to life and liberty. Incitement to violence by this militarized force of assassins employed to terrorize and detain all persons with any thought, idea, or speech that is not approved by the Respondents, which is a direct violation of this Article. The Respondents are using lies and misleading statements of third party convicted Human Rights violators to convince all levels of law enforcement that the Countries of The United States of America, and the Reign of the Heavens, the governments and societies thereof are subject to the United States (U.S.) which they are not. False and misleading statements violate the security of person even though the un rebutted claims stand as evidence to their rightful place among the family of Nations, and

WHEREAS, Respondents Violated the claimant rights under Article 4 of the Universal Declaration of Human Rights; “No one shall be held in slavery or servitude;

Slavery and the slave trade shall be prohibited in all their forms. “

Violations of Article 4 of the Universal Declaration of Human Rights: The claimant has been under constant attack and defending against enslavement and uncovering multiple attacks upon the claimant emanating from the respondents network of religious not for profit corporations, companies, affiliate organizations, mercenary forces of indoctrinated law enforcement personnel. This stands as violations of Article 4 by convincing third parties into active programs of genocide toward an entire population, dictating a foreign political, legal, and religious doctrine (world communist ideology) onto the claimant, attempting to steal the power of attorney of the claimant by halting freedom of speech, the attempted enslavement of the claimant through denial of self-determination to claim a nationality. Which seems to be the focal point of this case, Freedom to choose. There is no freedom if there is no choice. The claimant provides evidence of a claim with chain of title to be a Government on its own survey thereby creating an alternative to the United States. The respondents try to eliminate freedom of choice to enslave the claimant which illustrates the disregard the respondent has for all 30 articles of the Universal Declaration of Human Rights(as well as the Law of Nations), and

WHEREAS, Respondents Violated the claimant rights under Article 5 of the Universal Declaration of Human Rights;

“No one shall be subjected to torture or to cruel, inhuman or degrading treatment or punishment.”

All the false statements and continual attempts at enslavement and defamation upon the reputation, health and safety of the claimant emanating from respondents has no standing, and

WHEREAS, Respondents Violated the claimant rights under Article 6 of the Universal Declaration of Human Rights;

“Everyone has the right to recognition everywhere as a person before the law.”

Violations of Article 6 of the Universal Declaration of Human Rights:

The claimant’s claims stand un rebutted to have an established National Government and that the Country, Government, Nationals, and declared Residents have been under attack by third party proxies for the respondents. These proxies are under the influence and being directly instructed to disregard any and all evidence as to the legitimate international character of the Claimant. Even though the claimant needs no recognition from the respondent to realize its standing among the family of Nations, the interference by the respondent has impeded recognition of the international character of the Claimant, which is a violation, and

WHEREAS, Respondents Violated the claimant rights under Article 7 of the Universal Declaration of Human Rights;

“All are equal before the law and are entitled without any discrimination to equal protection of the law. All are entitled to equal protection against any discrimination in violation of this Declaration and against any incitement to such discrimination.”

Violation of Article 7 of the Universal Declaration of Human Rights:

The Claimant has been under attack by third party proxies for the respondents. These proxies are under the influence and being directly instructed to discriminate against the legitimate international character of the Claimant. The respondent has redefined and weaponized the term “Tolerance” which the respondent uses to label any group who do not agree with the respondent’s world communist ideology to be profiled and persecuted as “Hate groups”. Whereas the Claimant will not be labeled as a “Hate Group” because the claimant does not accept the respondent’s “Tolerance” Ideology. The evidence shows that the respondents are using donated funds to enforce the doctrine of a foreign religion by training school age children to hate any and all who do not subscribe to “Tolerance” as the respondent defines the term. This tactic stands as international subterfuge of the children and leaves the future generation helpless against moral degradation with a direct assault against the family, and

WHEREAS, Respondents Violated the claimant rights under Article 9 of the Universal Declaration of Human Rights; “No one shall be subjected to arbitrary arrest, detention or exile.”

Violation of Article 9 of the Universal Declaration of Human Rights:

"No one shall be subjected to arbitrary interference with his privacy, family, home or correspondence, nor to attacks upon his honor and reputation. Everyone has the right to the protection of the law against such interference or attacks. "

Violations of Article 12 of the Universal Declaration of Human Rights:

Respondents placed a fake group on its watch list based upon a discredited on-line blog posts with intent to write lies to convert the international record confusing social and international order which is an act of international terrorism against the claimant. The respondent has redefined and weaponized the term "Tolerance" thereby enforcing a foreign religion and foreign political ideology into the claimant. The respondent uses foreign religious and political terminology to label any group who does not agree with the respondent's communist ideology to be persecuted as "Hate groups". Whereas the Claimant will not be labeled as a "Hate Group" because the claimant does not accept the respondent's "Tolerance" Ideology. This label is used to incite violence, enslavement, and exile through manipulation of opinion of law enforcement to cause confusion toward the claimant which inhibits freedom of choice to a Nationality and continues to attack the process of free choice and self-determination, and

WHEREAS, Respondents Violated the claimant rights under Article 13 of the Universal Declaration of Human Rights;

Violations of Article 14 of the Universal Declaration of Human Rights:

Respondents have continued to deny the right to self-determination through their efforts to persecute the claimant as dangerous criminals even though the claimant's actions are of a political and religious nature, and

“(1) Everyone has the right to a nationality. (2) No one shall be arbitrarily deprived of his nationality nor denied the right to change his nationality.”

Violations of Article 15 of the Universal Declaration of Human Rights:

Respondents did repeatedly train law enforcement agencies to fear and incite violence, enslavement, and exile through trafficking in persons against the claimant through manipulation of public record against the claimant which inhibits freedom of choice to a Nationality and continues to deny the claimants un rebutted claim to the proper chain of title to a Country named The United States of America. Any confusion or doubt created by the respondents is wholly without merit and cause.
